03 // OVERVIEW

What's coming up

01 **The Challenge**
Why answers from internal documents are hard to trust

02 **Meet RAGlette**
Our idea and what it does for the user

03 **Architecture**
Ingest → index → retrieve → generate with Apertus

04 **Live Demo**
RAGlette answering real questions, with sources

05 **Results & Next Steps**
What worked, what we learned, where it goes next

? _ **Q & A**
Questions from the jury
